NARBERTH, PA., SATURDAY, DECEMBER 4, 1920

PRICE THREE CENTS

Playground Project Now Assured

PERMANENT CORPORATION FORMED AND OFFICERS AND DIRECTORS ELECTED—HONOR ROLL CLOSES DECEMBER 15.

Narberth demonstrated its capacity for civic endeavor of a high order in an unmistakable fashion last Tuesday evening at Elm Hall, when a fine body of representative citizens assembled to form the Narberth Playground Association as a permanent corporation, adopting a constitution and by-laws and electing the following men as officers and directors to serve for one year:

J. J. Calvey, President.
Dr. O. J. Snyder, Vice-President.
Robert J. Nash, Secretary.
Harry A. Jacobs, Treasurer.
Directors: Victor Abel, James Artman, Michael Collins, Robert C. Edgar, H. R. Hillegas, A. C. Shand, Jr., A. E. Wohlert, and John B. Williams.

The keynote of the evening was service, and there is little question that the work in hand will now proceed in effective steps to a quick finish, as the additional subscriptions made at the meeting put the exchequer in excellent shape, and the chief reason why the Honor Roll is being kept open until December 15, 1920, is to accord ample opportunity to those citizens who have not heretofore taken counsel with themselves to co-operate in the manner which their fine instincts must impel, thereby establishing beyond peradventure that Narberth is a highly representative community.

Grand Christmas Bazaar Today at Y. M. C. A. Building

At 12:30 P. M. today there opens at the Y. M. C. A. Building the bazaar under the auspices of the Ladies' Aid Society of Methodist Episcopal Church, at which a great variety of pleasing and practical things are offered, which include:

Dolls (over 100 of them).
Aprons,
Candy,
Ice Cream,
Jellies,
"Home-Baked" Pies, Cakes and Bread,
Hot Dogs,
Fancy Articles,
Christmas Cards.
Mrs. Woodrow Wilson presented a Ladies' Handkerchief, which will be sold at auction at about 9 P. M.

Americanization Day at the Community Club

The meeting will be called at 2:30 o'clock on December 7, as it is necessary to give more time to the full programs. Miss Jessie Vogt, who is Field Secretary for the Y. W. C. A., will address the club on Americanization. This is a large subject and although the general subject has been presented on other occasions, there are so many themes of the subject one cannot well afford not to keep up to date on this big thought.

Miss Georgene Blount Fickels will give readings of American and modern poetry. Mrs. Lewis Eashy will give two violin renditions entitled "Orientalism," by Caesar Cui, and "The Swan," by Saint-Saens. The members are urged to remember the hour, 2:30 P. M.

Add These Two Dates To Your Program

TENNIS ASSOCIATION TO GIVE UNIQUE PLAY TWO NIGHTS IN FEBRUARY, IN ADDITION TO MID-WINTER DANCE IN JANUARY.

How's this for a plan? When we told Roy Williams about the big two-night play that the Tennis Association has in its program, he pressed the buzzer on his mahogany desk, and when the office boy appeared, Mr. Williams said:

"Boy, tell my Social Secretary to mark down 'Tennis Play, February 11 and 12,' on my engagement book; and, Boy, tell her to make no other engagements for me for either of those two dates."

We recommend Mr. Williams' plan to all the other members of the Tennis Association, and all their friends, and all the other residents of our borough. For that play is going to be SOME PLAY!

Rehearsals are now going on, and those who have seen the "words and music," tell us that the Tennis Association is certainly going to break all records this winter for local entertainments.

That's all for the present. More detailed announcements will be made later. In the meanwhile, don't forget that the Mid-Winter Dance of the Tennis Association will be on Friday evening, January 14.

Don't Forget, Tennis Members, Today's the Day

SHOULDER YOUR SPADE, SHOVEL AND RAKE AND REPORT FOR DUTY AT THE NEW COURTS AT HAVERFORD AND MONTGOMERY AVENUES.

Today, Saturday, December 4, is the day that all members of the Narberth Tennis Association are asked to report for special duty at the new courts at Haverford and Montgomery avenues.

If you have heard rumors that the cinders have not arrived, pay no attention to such talk. The Board of Trustees fully expect that some of the cinders will have arrived by today, but even if they don't, there will be plenty of other work that you can join in doing, and it's all for the good of the Association.

Be at the new courts as soon after one o'clock as possible. In addition to bringing a shovel or rake, it won't be a bad idea if you bring a pair of canvas or old leather gloves. "Boss" Fred Warner, in charge of one of the "construction gangs," has planned one job, the work on which will be made "considerably more comfortable" if you don't tackle it bare handed. "C'm on over, Skin-nay," and give Fred a lift.

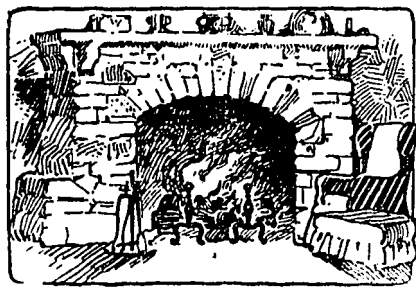

But even if you haven't a shovel or rake or a pair of gloves, don't stay away. There will be work that every member can do, and if every member reports for duty this afternoon the Association will accomplish a lot and save a lot of money.

THE FIRESIDE

Mail your parcels early.

Parcels sent by mail may be marked "Do not open until Xmas."

Our Town acknowledges with thanks receipt of a donation of \$5.00 from the Community Bible Class of Narberth.

Mr. and Mrs. Frank P. Eyer, of Glen Rock, N. J., spent Thanksgiving Day and the week end with friends in Narberth.

Buy Christmas Seals this year for all your Christmas mail. Help stamp out the White Plague. Buy your seals in Narberth.

Xmas parcels should be mailed early and wrapped securely. Parcels may be insured up to \$5.00 for 3c.; \$5 to \$25, 5c.; \$25 to \$50, 10c.; \$50 to \$100, 25c.

Checks for shares in the Playground should be made payable to the Narberth Playground Association, and sent to Harry A. Jacobs, Treasurer, 3 Elmwood avenue.

The Fairview Sunday School will have an oyster supper on the evening of December 9. Narberth folks are invited to come over and get a good supper. Tickets, 50c.

Santa Claus is reported to be preparing to start on his annual visit. Present weather conditions indicate he will have to use the old sleigh for travel as far as Boston at least.

The Eastern Pennsylvania Section of the Ohio State University Association met on Friday night at the home of Lloyd B. Edgerton, 107 Chestnut avenue, in their annual get-together. About forty were present and a good time reported.

Mr. and Mrs. George M. Dando announce the marriage of their daughter, Ida May, to Dr. S. A. Beddall, on November 25th, by Rev. Dr. Conwell at Baptist Temple, Philadelphia. The young couple left for Asheville, N. C., where they will make their future home.

The regular monthly meeting of the Women's Foreign Missionary Society of the Methodist Episcopal Church will be held on Monday afternoon, December 6th, at 2:30 o'clock, at the home of Mrs. Charles E. Kremer, 114 Forrest avenue. An interesting program has been arranged and it is hoped all members will attend.

Last Tuesday evening the Playground meeting lasted until nearly midnight, with something doing every minute. Narberth is going to hold its head high as a result of this fine community endeavor. Additional subscriptions came in 1-2-3 order at the Playground meeting. The newcomers were well represented.

Community Club Notes

CHORAL SOCIETY.

The Choral Society had its first rehearsal this week. All who attended were delighted with the leadership of Prof. David Spratt. The members were inspired to work for finished chorus productions. The rehearsals will be held on Fridays at 2 P. M. The rehearsal for December 10 will be at the residence of Mrs. David Stickney, 219 Forrest avenue.

CLUB ORCHESTRA.

Following the chorus on Friday afternoon, December 10, will be the rehearsal of the orchestra. This will be at 3:45 P. M. at the residence of Mrs. Joseph Barclay, 312 Essex avenue.

The Club will be called at 2:30 o'clock on December 7, this being a half hour earlier than the usual time. It seems necessary to begin the meetings at this hour that they may not run into the late afternoon. The members are urged to be punctual.

The Trading Post will be in evidence at each meeting. Members are requested to take advantage of this opportunity to increase the building fund.

CHILDREN'S DANCING CLASS.

These classes are open to the children of members and non-members of the Club, and meets every Saturday afternoon in the Y. M. C. A. at 2 P. M. The hostesses of any afternoon will gladly welcome mothers with their children who may be desirous of visiting the class. The instruction is under the very capable and efficient direction of Miss Frances Newcomb.

ADULT DANCING CLASS.

The inauguration of the adult dancing class took place at the Y. M. C. A. Friday evening, November 26th, and was well attended. Enthusiasm ran high as the evening progressed and inspiring from the very favorable comments made by those present, this class bids fair to not only increase its membership, but to add further laurels to the undertakings of the Club.

The class meets in the Y. M. C. A. on alternate Fridays on the following evenings at 7:45 P. M.: December 10, December 31, January 7, January 21, February 4, February 18, March 4, March 18, April 1. These classes are also open to non-members. You are cordially invited to visit the class.

MILLINERY CLASS.

Classes meet Thursday 9:15 A. M. at 107 Elmwood avenue. Visitors are welcome to these classes without incurring any obligation to become a member. The enthusiasm, however, of those already enrolled is so contagious that the membership doubled itself at the second meeting.

The simplicity and duplicity of the millinery art is very frankly disclosed by the instructor. The members are amazed at the exceedingly chic hats that can be constructed by them under the able and enthusiastic guidance of Madame Thasin.

Seals Usher in Happy Christmas Season Today

Tuberculosis Christmas Seals and Health Bonds were formally placed on sale today in Pennsylvania and throughout the nation.

Seals sell for one cent each; Health Bonds run from \$5.00 to \$1,000.00.

Local citizen tuberculosis committees retain more than three-fourths of the money they raise through this sale to carry on their work of lessening and preventing tuberculosis.

This official Christmas Seal, which was originated in 1907, was first sold in Pennsylvania. This year's Seal, although it does not bear the Red Cross name, is the original Seal and is recognized as the only Seal by Government agencies and officials and by all social service agencies.

The 1920 Seal bears the usual picture of Santa Claus. Old Chris is holding on his shoulders a child dressed in green who is bearing aloft the double barred cross, which is the emblem of tuberculosis workers. This sticker carries the message, "Merry Christmas 1920" and "Healthy New Year."

Seals are in the form of a stamp and are placed on letters and packages during the holiday season as tokens of better health and good cheer. They are not a substitute for postage.

Every purchase of a Seal or a Health Bond is a Christmas Gift to the health of your community.

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.—Preamble to the Constitution of the American Legion.

1921 DUES.

The dues for 1921 are now due, and every member should make an effort to pay his 1921 dues on or before January 1st.

NEW HOME FURNISHED.

The painting and carpentry work on our new home has been finished and the furniture will be delivered before the end of the week. It is up to some of the other fellows to turn out and help to paint the outside.

BUILDING AND LOAN NOTES.

The Narberth American Legion Building and Loan Association will hold its regular monthly meeting in the new home of the Post on Tuesday evening, December 7th.

The second series will be opened at this meeting, and we want every member to subscribe to at least one share.

COMMANDER SMITH MOVES AWAY.

Commander George O. Smith has moved away from Narberth and he will be missed by his many friends, especially the members of the Post.

The Post presented Commander Smith with a 10-k. gold American Legion watch fob and we wish him all the success in the world in his new occupation.

MORE GOVERNMENT LAND OFFERED EX-SERVICE MEN.

Nearly 33,000 more acres of public land now are open to entry by ex-service men; according to announcement by the Department of the Interior. The lands are:

Lyon and Mineral Counties Carson City Land District, Nevada, 27,975 acres. Open to entry by ex-service men exclusively between November 29 and January 31. Lands released from stock driveway withdrawal, located in the Walker River Valley. Information indicates that they may be irrigable and in that event valuable for agricultural purposes. Apply to Carson City Public Land Office for further information.

Rio Arriba County, Santa Fe Land District, New Mexico, 1,279 acres. Open to entry by ex-service men exclusively between January 1 and March 7, 1921. Lands excluded from Santa Fe National Forest and are reported to be mountain grazing lands. Apply to Santa Fe Public Land Office.

Blaine, Phillips and Valley Counties, Glasgow and Havre Land Districts, Montana, 2,640 acres. Open to entry by ex-service men exclusively between December 9 and February 10. Land north of the Milk River is mostly level bottom land of good quality with some rolling table land. Plenty of water is available for irrigation to produce abundant crops of grain, hay and vegetables. Apply to Glasgow and Havre Public Land Offices.

Goshute County, Cheyenne Land District, Wyoming, 756 acres. Open to entry by ex-service men exclusively between November 12 and January 14. Land released from segregation under the Carey Act and is near the North Platte project of the U. S. Reclamation Service. Reported to be fairly good grazing land. Apply to Cheyenne Public Land Office.

WITHIN THE LAW.

The bonus measures passed by the 12 States which have so far rewarded their ex-service men with cash compensation vary in many particulars. Not one of them, however, provides (1) that a person legally entitled to a bonus must accept it whether he wants it or not,

CALENDAR OF COMING EVENTS.

It is the purpose of Our Town to print a schedule of events of a public nature so that there will be no conflict in dates and also to remind readers of affairs that they would like to attend.

Please keep us posted by mailing a post card headed "Calendar of Coming Events" to Our Town, Box No. 966, stating date, name of organization and event, also the place in which the affair is to be held.

We shall also print a schedule of fixed meeting dates of more or less public nature. In this, too, we will be glad to have your co-operation.

VIOLATED THE DOG LAW HERE.

State Agents Prosecute Main Line Residents for Failure to Pay License.

More than one hundred prosecutions of violators of the dog license law have been brought by the State Agricultural Department in a campaign along the Main Line.

Each day a score or more violators of the 1917 law are brought before a Main Line Justice of the Peace and permitted to pay the costs, the fines being remitted when the owners plead guilty. Every dog over six months old is required by law to be licensed and to wear a tag on its collar.

James G. Fox, in charge of the crusade, declares many flagrant violations have been found. Some of the persons found guilty are socially prominent. Many protested ignorance of the law, but pleaded guilty and paid the costs of \$7.50.

The towns visited by the State officials were Berwyn, Wayne, Ardmore, Rosemont, Bryn Mawr and Narberth.

At Berwyn they found unlicensed kennels and many aliens having dogs and firearms. In the case of the aliens the dogs and weapons were confiscated.

and the owners fined, as the law states unnaturalized residents are not permitted to have dogs or firearms.

All persons prosecuted were forced to obtain licenses for 1920.

Agents stated the law would be more rigidly enforced next year. All dogs must be licensed before January 15.

The Montgomery County Commissioner will start proceedings to collect the delinquent dog taxes due in this county. There are more than 3,000 dogs assessed that have no license, of which 700 are in Lower Merion.

Scout News

November 29 there were twenty-seven Scouts present, with Scoutmaster Patten and Mascot "Babe" Patten.

Hike planned for December 4 to Darby Creek, with Dick Odiorne leading the procession.

Mr. Patten asked Gordon Rudolf to tell about the last hike to Darby Creek. He told how Scout Wananmaker tried to go swimming by slipping off a log in two inches of water.

Mr. Patten read in the Boy Scout year book about last year's annual hike to Valley Forge, which told about our troop with the horse and wagon.

We were supposed to have inspection, but the inspector failed to come.

Eight scouts volunteered to go to Mr. Loos' house to get slate blackboards. Scout Wananmaker fell down on the job and let Scout Snyder carry his share.

Improvements in The County

THREE MODERN BRIDGES MAY BE ERECTED.

The Ridge Pike Below Black Horse Is to Be Made Wider—Other Suggestions by Manufacturers' Association.

At a meeting held last week by the Executive Committee of the Manufacturers Association of Montgomery County the following resolution was unanimously adopted:

That the comprehensive plan as developed by Roy A. Hatfield, President of the County Commissioners, for the building of three modern bridges across the Schuylkill; the building of a new road between Pennsburg and Pottstown; the conversion of all roads of a temporary construction owned by the county into permanent construction, and the elimination of two dangerous grade crossings on the Ridge Pike near Black Horse by widening of the road and bridge, be endorsed; and further, that a copy of this resolution be filed with the County Commissioners of Montgomery County, the Judges of Courts and the County Controller.

After the meeting of the above body, composed of manufacturers from different sections of the county, the Bridge Committee, composed of Samuel Roberts, A. T. Eastwick, and S. L. Gabel, decided they would ask for a meeting with the County Commissioners and County Controller at an early date.

In an interview S. L. Gabel stated that over a year ago the Manufacturers' Association inaugurated a movement for the erection of a modern bridge across the Schuylkill between Norristown and Bridgeport, and feels that Mr. Hatfield is starting a movement which will keep Montgomery County in the front rank, where its wealth has put it. The Manufacturers' Association wants to see the bridge here built at DeKalb street, one of the most traveled points in Eastern Pennsylvania, an established highway. It wants the bridge spanning all three railroad crossings so that for the next one hundred years it will stand out as one of our big forward movements of the twentieth century. Necessarily it wants that bridge built quickly; it wants immediate action taken so that when the Conshohocken bridge is completed we will not have before us the

present antiquated, dangerous and noisome structure that should have departed this scenery fifty years ago. We want when the Conshohocken bridge is dedicated to see the Norristown-Bridgeport bridge well under way. Naturally this, as Mr. Hatfield says, is our first need. He properly puts it first, since it is the biggest, and around it and from it will spring numerous other undertakings. Lest it be forgotten we must not lose sight of the fact that the boulevard connecting the Port Washington end of Fairmount Park with Valley Forge will in all probability go through Norristown if a modern bridge is erected here to handle the traffic. The bridge is the key to this as well as other big projects. Royersford and Spring City need a bridge, but the problem there is easy. The community should not be asked to wait.

The upper districts of the county would take on a new activity if a modern road of ten miles in length should be built. The Pennsburg district has made great strides, and if linked up with Pottstown untold benefits would result to a growing community.

The same business judgment that dictates to a man that he build a house or a factory that will stand wear and tear, should be applied to road building. The traffic on our roads is such that cost is less in a given number of years if built for permanent demands than just for time being. The saving brought about in less up-keep pays a good interest rate on original cost and leaves a safe margin for payment of principal. That is why we endorse conversion of roads from temporary construction to permanent traffic requirements.

Whitemarsh and Lower Merion have every right to ask for means of travel on a direct route. There is no reason why two such districts should be compelled to make a detour. Much of Montgomery County's wealth lies in what we call lower Montgomery, and the citizens there should have freedom of travel given them across the river.

One thing lacking now that is a great handicap to us is no short direct cut to Philadelphia. That will be removed when the Ridge Pike improvements in Philadelphia County are completed. That will mean, however, very much heavier travel on this road and necessarily dangerous points must be rebuilt. The condition of the road near Black Horse is such that a change there must be made. What a fine thing this will be when we can run to Philadelphia on this direct route and cut off three or four miles of travel.

The program is, to our minds, one of the biggest undertakings that has ever been put before the people of Montgomery County. Other public improvements are needed, but it is doubtful if they rank, as all these do, as major projects. To us this is but the beginning. If promptly carried out so that the people will see that cost is not prohibitive and that taxes need not be raised, they will be right in line with such moves that spell progress for all of us.

Progress means a higher plane of living; it means an era of good feeling generally; it means a higher type of citizenship, because such improvements, visible to the eye, show what government does for the people.

We heartily and enthusiastically, as an association, endorse the complete program outlined by Mr. Hatfield.

CELLAR HUMOR.

"I understand," began Biggs in the tone of a man who is fishing for an invitation, "that you're home brewing and that you call the stuff the Horn of Plenty brand. What's the idea?"

The members of the Semper Fidelis Bible Class were entertained last Thursday evening at the home of their teacher, Mrs. Van Ness.
On Sunday morning, December 12, Mr. Van Ness will deliver his sermon on the landing of the Pilgrim Fathers.

PRESENTATION TO REV. FRANK ROSE.

Rev. Frank Rose, pastor of the First Presbyterian Church of Lower Merion, was agreeably surprised on Friday evening of last week, when the members of his congregation gathered at his home in Gladwynne, Pa., and tendered him a farewell party, and presented him with a gold watch and chain as a token of their appreciation for his services in that community during the past five years.

Rev. Rose resigned as pastor of the Gladwynne Church on December 1st, and immediately accepted his new charge as pastor of the Presbyterian Church of Manayunk.

The presentation of the watch was made by Rev. J. P. Shepherd, of Conshohocken, in behalf of the members of the Gladwynne Church and the Fairview Union Sunday School. In his address Mr. Shepherd praised Mr. Rose for his untiring efforts to bring about the spiritual uplift of Gladwynne, and expressed his desire to see all the churches of the community unite for the common cause.

An elaborate and entertaining program, including vocal and piano solos, was rendered throughout the evening.

JUDGE REPROVES JURORS

Asked Expense for Coming to Court to Present Excuses.

Montgomery County citizens called for jury duty who were excused for business reasons were reproved by Judge Swartz for asking pay and mileage for the day on which they came to Norristown to be let off.

"I don't know any law that prevents a juror from collecting a day's pay and mileage," said the Judge to the dozen or more who had been excused, "but, when the Court favors a juror by excusing him for business reasons he ought to hesitate before he asks pay for it."

"Eradicate the Slums" is First Big Task for the Suburban Association

NEW BODY PLANS TO TACKLE SERIOUS LOCAL EVILS

Insanitary Houses

Getting rid of the slums of the Main Line District is the first big task to be essayed by the Suburban Association, which was organized last winter with Thomas DeWitt Cuyler as its president.

Getting something done about the repairing of Montgomery Avenue so the road will be open for use is another less arduous but quite important job the association is taking up.

In reports obtained by the Main Line Citizens' Association, facts and figures have been compiled showing the bad health conditions, bad housing conditions and bad conditions of sanitation in various Main Line communities.

The Suburban Association finds these things are linked together, and has worked out a comprehensive plan to meet the condition along the most practical lines.

It will work for the broadening of municipal power to deal with the evils found to exist and for means of making the application of that power more efficacious. It will try to get owners of "little" houses to make them decent to live in; to get rid of water wells located close to the cesspools, and during the course of its labors a special joint committee of the Suburban Association, established to carry on the war against the slums, will make a scientific survey of sanitary conditions everywhere along the Main Line and in Balu-Cynwyd.

All this crystallized last week at a special session of the executive committee and the committee on roads of the Suburban Association, held in the new offices in the Merion Title Building, Ardmore.

Mr. Cuyler has asked the committee on roads, which is headed by Samuel Rea, to be present. He had something to say about Montgomery avenue. He did not contribute any strenuous adjectives, but what he had to say echoed some of the things many persons have been saying lately about the long stretch of Montgomery avenue from City Line to Haverford.

The stretch is controlled by the Commissioners of Montgomery County, who have been making repairs at various places where repairs have been much needed. But after one set of repairs occurred a new series started—and motorists have been unable to use Montgomery Avenue very much, and they did not like the portions they were able to use.

So the Suburban Association will take the matter up through Mr. Rea's committee, with the County Commissioners and try to get something definite accomplished.

At the meeting were Robert W. Lesley, Major Alfred M. Collins, Richard E. Norton, Samuel T. Bodine, E. S. Gardner, J. H. Nash, Alfred J. County, Samuel Ren, Mrs. Alexander Brown, Major John Lewis Evans, Richard J. Hamilton, Jr., T. Dewitt Cuyler, H. Bartol Brazier, Paul Thompson, Richard Houghton and C. W. Crist.

The first gun in the war against the slum conditions was really fired at an earlier meeting of the executive committee, at which the plan to eradicate the slums was set in motion, at the suggestion of Edward Bok, of Merion. An outgrowth of this was a suggestion by Major Alfred M. Collins to get a conference of heads of various local boards of health, and Mr. Crist was able to report that this had been done and that representatives of the State Department of Health were also present.

So the committee sailed in last week to deal with the things they have to do.

If you are an old-time Main Liner you remember when things were different. There were some little houses, of course, but not many and not crowded. Now in portions of Ardmore, Haverford, Bryn Mawr, Wayne and other communities are areas where slum conditions, described as "bad or worse than any in the city" are found.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

proportion were directly traceable to lack of sewerage. Here again township officials will be urged to take such steps as are necessary to establish proper household sewerage.

Another feature of housing surveys thus far made is one showing how residents in certain sections get their drinking water, in fact, all their water, from wells located close to cesspools. It was found, also, that some of these wells had been condemned by the Board of Health, but the residents continued to use them, in spite of that, and another bad feature discovered was location of wells and hydrants for common use at some distance from homes. An effort will be made to get an ordinance requiring a plentiful supply of water near every house offered for rent, and, in crowded quarters, a minimum supply of running water.

The new building codes in Lower Merion and Haverford townships will prevent in future defects like cheaply built foundations, small yards, building houses in rear yards; windowless rooms; using converted stables for dwellings and lack of fire escapes.

But Radnor township has not passed a building ordinance, and the committee will urge such action on its commissioners.

Some unsatisfactory conditions are due to the present overcrowding, and to meet this the Suburban Association will urge owners of large estates to provide accommodations for their employees on their estates.

Many very insanitary conditions have been traced to leaky roofs, falling plaster, broken stairs, defective rain leaders and such things. The committee realizes that high costs of labor and materials is a definite bar to promoting any general housing operation at this time so a special effort will be made with the owners of the properties in which these defects were found to have them put in sound repair and in a sanitary condition.

Because at least half of the various defects exist because there is no ordinance prohibiting them, and it is not possible to compel owners to correct the conditions, the commissioners of the Main Line township will be urged to pass a housing code.

It is also brought out that anyone can use any old or new structure as he pleases in any section of the township, and for this reason township officials will be asked to give special consideration to the question of zoning.

It is also pointed out that employment of one man as health inspector is not adequate, as many defects recur after correction, and the committee urges consideration of the question of increasing the number of health officers in each township.

The committee points out that women have done most of the work heretofore in connection with correction of insanitary defects and urges a greater interest be taken by the men of the community in correcting them.

Finally, finding that detailed information fully covering all insanitary sections of the Main Line is not available for the adequate study of each section, the committee proposes that consideration be given to a scientific survey of every insanitary section in the Main Line territory.

THE IRREDUCIBLE MINIMUM.

"What is a skeleton?" asked teacher of the pupils of the fourth grade.

There was a period of painful concentration, following which a little girl replied triumphantly:

"A skeleton is what you have left of a man after you've taken his outside off and his insides out."

PERFECT PEACE.

"Anything doing around here election day?" asked the tourist.

"Not a darn thing," answered the native of Howling Gulch disgustedly. "They called out the militia before the fight hardly got started."

sentative American community and that its residents are quite as zealous in assuming their obligations as they are in insisting upon their rights.

Therefore, the few days between now and the time-limit should be vigorously utilized, by a host of \$100 investments, at interest, of course, if subscriptions of more than one share are not financially convenient, as it is most important that a united and unanimous front shall be displayed as the movement gets the national publicity which it is calculated to receive, for the enterprise is creating interest galore in high quarters and it is altogether likely to be the subject of general discussion in organized welfare work throughout the country. Do yourself proud, then, by joining in, not as a result of importunity, or coaxing, or cajoling, for none of these things is in order, but altogether by the prompting of your honest conception of what one man owes to another, and what we all owe to the town which is our home, its present and its future. This part of the world ought to be better because we passed this way.

Subscriptions may be placed with any of the officers or directors or should any additional information be required, don't hesitate to telephone for it, as the men actively engaged are anxious to be of service, and the more interest indicated in their work, the more wholesome and attractive their job becomes. Until December 15, 1920, therefore, residents subscribing shall be regarded as charter members, as founders, a distinction which careful contemplation must establish as a possession to be highly cherished and fondly retained. Come along, then, with your part of the general obligation and let the Honor Roll be a really representative Narberth declaration.

A final list of subscribers will be printed in December 18th issue of Our Town—names, not amounts, because interest is at least as important as money, and as each man invests what he can, we are all of us entitled to the same share of credit without distinction.

County to Fight Against White Plague

(Continued from Page 1.)

Christmas seals and health bonds, which undertaking will be conducted under the supervision of the Tuberculosis Society, Herbert H. Ganser, County Chairman for this important phase of the society's work, gave a very inspirational talk and urged everyone to extend his or her utmost efforts to bring about the best possible results. He pointed out the fact that all should feel that they are obligated to assist in combating the dreaded white plague, as good citizenship does not merely mean that all that a person should do is to abide by the laws, everyone having a civic and moral duty to perform to the community at large.

Preliminary plans for this undertaking have been progressing for some time, and that considerable detail work has already been taken care of was evidenced by the report of Miss Wilda M. Kneas, Field Secretary, Central headquarters, during the period of the sale of Christmas seals and health bonds, which will begin on November 29, will be located in the lobby of the Norristown Y. M. C. A. hotel, formerly the Hotel Montgomery.

Large quantities of posters and other advertising material has been forwarded to the various districts, included in which is a streamer containing the wording: "Buy Your Christmas Seals and Health Bonds in Montgomery County from Your Local Committee," the object of this being to give the credit where it properly belongs, as every district is assigned a quota. Besides a substantial portion of the money raised in each county remains there to defray the expenses that will be incurred in carrying through the project, the keynote for which is "For the Prevention of the Spread of Tuberculosis."

Prof. Paul A. Mertz, chairman of the county branch of the State Society, and Roy Huber, publicity chairman for the county, also outlined certain phases of the plans formulated for the big undertaking. A forceful letter written and submitted by Robert J. Edgar, secretary, will be sent broadcast.

Every firm and every family should buy Christmas seals and health bonds. It is an urgent duty.

The districts, the quotas and the chairmen for this section follows:

Ardmore-Bryn Mawr.
Mrs. J. E. Caldwell, chairman, 76,000 seals.

Ardmore, Bryn Mawr, Haverford and Rosemont.

Cynwyd.

10,000 seals.

Bala, Cynwyd, Gladyne and West Manayunk.

Narberth.

Chairman, Robert J. Edgar, 50,000 seals.

Merion, Narberth and Wynnewood.

YELLOW, TOO.

EPWORTH LEAGUE REORGANIZES.

On Monday evening, November 29, the Epworth League of the Methodist Church held a meeting for the reorganization of the League and the election of officers, the following being elected:

President, Mr. J. H. Tally.

First Vice-President, Miss Grace Woollocks.

Second Vice-President, Miss Marion Knapp.

Third Vice-President, Miss Dorothy Chalfont.

Fourth Vice-President, Mrs. J. H. Heck.

Secretary, Mr. Earl C. Miller.

Treasurer, Miss Eleanor Ward.

Pianist, Mr. Rupert Riger.

Chorister, Mr. Robert Mueller.

We ask all the young people of the Methodist Church to pay us a visit and to bring a friend along. Come and join our midst and have a good time.

UNSURMOUNTABLE OBJECTION

"Mamma," cried little Willie, "do you think I'll ever grow any bigger?"
"Yes, duckie, of course."

"Well, I'm hanged if I see how," retorted the bright infant. "My head's in the way."

AMERICAN LEGION

(Continued from Page 1)

or (2) that a person entitled to the bonus who does not need it, but nevertheless accepts it, shall be enjoined from devoting it to some worthy cause—such as the welfare of his disabled or needy ex-service brother.

One of the new State bonus laws provides that persons entitled to the bonus who feel that they do not need it may assign it to a State fund for disabled service men. In this and other States a movement has been begun by which more fortunately situated veterans will devote their bonuses to a Legion-administered fund for their brothers in need.

The argument most used against the American Legion's national adjusted compensation bill is that its cash feature is "indiscriminate," that, while it awards cash compensation to many men who need it, it also awards it to some who do not. Very well, those who do not need it need not accept it. The solution seems simple.

SECOND SERIES OF THE NARBERTH AMERICAN LEGION BUILDING AND LOAN ASSOCIATION.

The Association will open its second series on Tuesday evening, December 7, at the "Little Office," corner of Elmwood and Essex avenues, between 7 and 9 o'clock.

We cordially invite every citizen of Narberth to become a stockholder.

THE FIRESIDE

(Continued from Page 1.)

Prof. Homer H. Gage, of the Lock Haven State Normal School, and son Lewis, were entertained in the home of Mr. and Mrs. LeRoy A. King, 319 Grayling avenue, during the Thanks-

giving holidays. Mr. Gage and Mr. King were formerly colleagues in the State Normal School faculty.

The first meeting of the Devon Horse Show and Country Fair Committee was held Monday at a luncheon at the Ritz-Carlton, with Mrs. Archibald Barklie, chairman; Mrs. Alexander Brown and Miss Ellen L. Hopkins representing the ladies' committee, while Dr. Thomas G. Ashton and Mr. William H. Wana-maker, Jr., represented the Horse Show Committee. Plans for the 1921 Devon Horse Show and Country Fair were discussed and preliminary arrangements made.
